The HDHRM/IVE & BHRM/SHAPE programme have prepared me to face every challenge in my Human Resources career with Leighton Contractors Asia Limited. I acquired essential professional and practical human resource management knowledge from this excellent programme. My job requires me to support the payroll system's administration and compensation and benefits issues in Human Resources Department for future digital planning and development of related projects. I was particularly well equipped to apply integrated digital elements into HR management. My familiarity with digitization and cloud computing allowed me to effectively count working hours and record work types for employees and provide accurate payroll management data.

I am thankful that IVE / SHAPE has led me to a career that fulfils my interests and needs.

HD in Public Relations and Digital Communication	公關及數碼傳訊高級文憑
Bachelor of Communication (Hons), Hong Kong Baptist University (First Class Honours)	香港浸會大學 傳理學學士 (榮譽)

The good study environment, the challenging internship experience, and a positive outlook for articulation path, were three of the most valuable attributes I gained when studying in IVE.

There were a lot of practicum opportunities with IVE. I was able to practice my public speaking, content writing and event planning skills in various occasions. For example, my networking and leadership skills were improved by my experience as an executive member for Public Relations in the Students Society. My ability in planning and executing large-scale events was increased from my internship experience. I was greatly encouraged and equipped to apply for my favorite Degree programme.

I was admitted to the School of Communication at Hong Kong Baptist University after graduation. I am now pursuing an advertising career. I have joined IPG Mediabrands, a global media agency, devising media plans for different clients and international brands. I love my job very much.

充實的學習生活、具挑戰性的工作實習，以及升學的信心，都是我在IVE的寶貴得著！

不論是公開演說、內容寫作或是活動籌辦，一概所學的公關和廣告技能，在此都有大量實踐機會。我參與公關學生會的經歷，增強了我的人際關係和領導能力；工作實習的體驗，裝備和提升了我在大型活動的策劃和執行能力；這一切都添加了我報讀心儀大學的信心！

畢業後，我成功考入香港浸會大學傳理學院，現在已找到自己喜愛的工作，投身了廣告界，於跨國媒體機構IPG Mediabrands，為不同客戶及國際品牌擔任媒介策劃工作。
