A group of five students are sitting on a set of outdoor stone stairs with a metal railing. They are all focused on reading or writing. In the foreground, a young man in a light blue t-shirt and white pants is looking at a book titled 'BUSINESS IN A HOUR'. Next to him, a young woman in a white dress is also looking at the book. Behind them, another young man in a green vest over a white shirt is reading a book. To his right, a young woman in a white shirt is writing in a notebook. In the background, another student is visible, also reading. The setting is outdoors with lush green foliage and trees in the background, suggesting a campus environment.
