## Student Award

### IVE Business Students Sweep Awards in Yeung Kin Man Youth Industrial Incubation Programme Award Presentation Ceremony cum Sharing Session 2025

22 August 2025

The "Yeung Kin Man Youth Industrial Incubation Programme Award Presentation Ceremony cum Sharing Session" was held on 22 August 2025 at the Hong Kong Institute of Vocational Education to celebrate student achievements. The programme organised activities in the 2024/25 academic year, including industrial talks, a visit to Huizhou, and project competitions, focusing on artificial intelligence, smart manufacturing, and digital transformation. We are proud to highlight the top three award-winning teams in this year's programme from the Hong Kong Institute of Vocational Education (Kwun Tong) for their exceptional project work. The Champion Team, comprising students from the Higher Diploma in Professional Accountancy, earned top honors for their project titled "How Can Café de Coral Respond to the Impact of Declining Local Consumer Spending Power". Their insightful analysis also won them the Best Presentation Award. The First Runner-Up was awarded to a team from the Higher Diploma in Human Resources and Talent Analytics for their project "How to Improve Training and Development of Clubhouse Frontline Staff in Kai Shing Management Services Limited". Their impactful work impressed the judges and also secured Third Prize in the Best Video Competition. The Second Runner-Up went to the team from the Higher Diploma in Event Marketing and Business Promotion, who explored "Increasing Visitor Numbers of IMXpo Through Social Media". Their strategic approach earned them the Best Written Report Award as well. These achievements reflect the students' creativity, collaboration, and commitment to excellence in applying their skills to real-world challenges.

# Student Activity

## ACCA Community Day 2025

12 January 2025

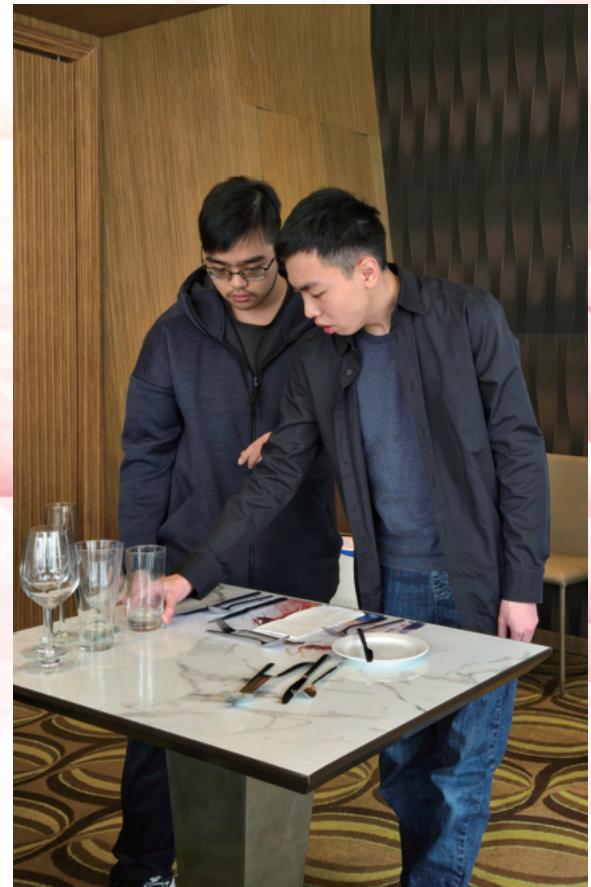

Over 20 HD in Professional Accountancy students from IVE (ST) participated in the ACCA Community Day on 12 January 2025, supporting three major activities: the Rickshaw Race, a performance, and the Fun Land. This year's theme, "75 Years in Hong Kong: A Relay of Love for a Better Future", underscored the commitment to spreading love and care within the community. The event featured traditional rickshaw races, which are popular among the public and business community, along with a Fun Land offering a free bouncing playground for children. All proceeds were donated to local charities supporting underprivileged individuals in Hong Kong.

## Dining Etiquette Workshop

6 February 2025

Over 20 HD in Professional Accountancy students from IVE (HW) participated in a dining etiquette workshop on 6 February 2025, organised by Harbour Plaza 8 Degrees Limited. This engaging session aimed to equip students with essential skills for professional dining settings. Participants learned about table manners for formal Western meals, including appropriate behaviour and conversation etiquette. The workshop also covered proper table settings, helping students understand the significance of presentation in dining. More importantly, they practiced the correct usage of utensils to ensure confidence during business meals. Overall, the workshop provided valuable insights that will enhance the students' professional image and networking abilities.

# Career Fair

## Disciplined Services Career Fair at TM campus

21 May 2025

On 21 May 2025, BA and SDO of IVE(TM) co-organised a Disciplined Services Career Fair named "Tuen-I Job Fair" for students in Tuen Mum Campus, featuring 11 units, including Immigration Department [Recruitment unit], Correctional Services [Recruitment unit], Fire Service Department [Recruitment unit], Hong Kong Police Force (HKPF) [Recruitment unit], Hong Kong Police Force (HKPF) [Regional Crime Prevention Office, New Territories North], Customs and Excise Department (C&ED) [Recruitment unit], Customs and Excise Department (C&ED) [Customs TES Van], Aviation Security Company Limited [Recruitment unit], Labour Department, Youth Employment Start (Y.E.S.), and Mandatory Provident Fund Schemes Authority (MPFA). It was a valuable opportunity for our students to connect with various disciplined services, teachers from Language Centre, and civil service sections and to explore different career booths.

# Industrial Visit

## Visit to Hong Kong Police College

27 May 2025

On 27 May 2025, 38 students of the HD in Management for Disciplined Services spent a memorable and useful afternoon as they visited the HK Police College.

The visit was divided into two parts. In the first part, students were introduced to the selection requirements of the HK Police Force and the basic training life in HK Police College. In the second part, a police inspector guided our students to visit different training facilities in the College, such as crisis intervention training, foot drill training, living room and classroom. All of the students gained valuable insights from this visit and deepened their interest in careers of disciplined services.

## Fitness Section at Hong Kong Customs College

10 June 2025

A fitness section was delivered by the fitness instructors of the HK Customs and Excise Department (C&ED) on 10 June 2025 in Hong Kong Customs College. During the session, students enjoyed the interactive exercises and were arranged to experience one of the fitness tests in C&ED selection. Equipped with the essential techniques for preparing different fitness tests in the disciplined services selection, our students were motivated by valuable experiences in the Hong Kong Customs College.

# Professional Seminar

## Accounting Seminar - Paths to Success for Youngsters through the Accounting Profession

11 April 2025

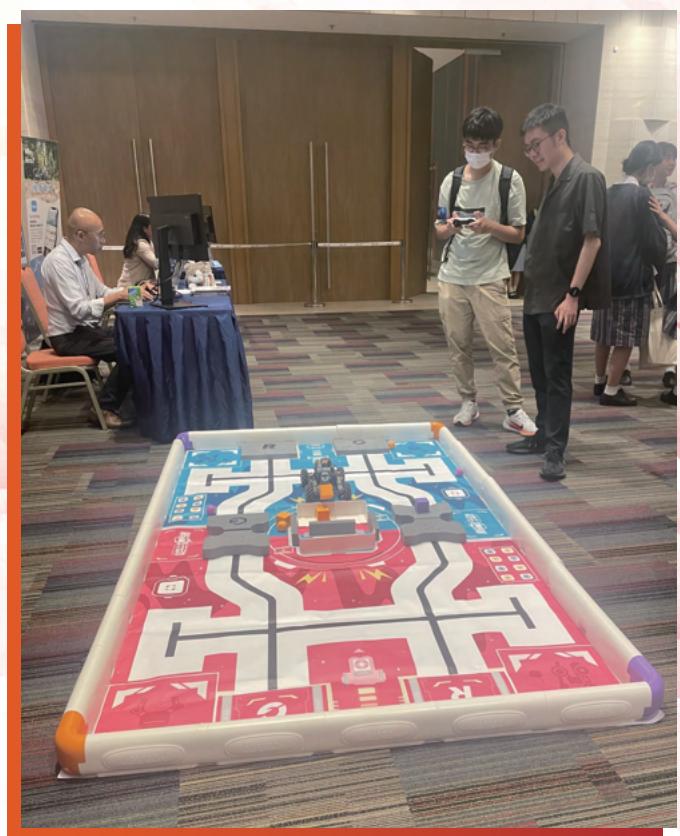

An accountancy seminar titled "Paths to Success for Youngsters through the Accounting Profession" was held on 11 April 2025 in collaboration with the Association of Chartered Certified Accountants Hong Kong (ACCA). Around 100 secondary school students and HD in Professional Accountancy students participated. The seminar featured case studies and an introduction to career development in the accounting field, providing participants with valuable knowledge about various career paths within accounting. Participants gained practical advice on navigating their career journeys, including internship opportunities, networking strategies, and the importance of continuous learning in a dynamic profession. The event inspired students to pursue their aspirations in accounting with confidence and clarity.

## Women in Technology: Future Ready Talent Programme

20 May 2025

20 HD in Professional Accountancy students from IVE(ST) attended the seminar hosted by the Deloitte Foundation at Science Park on 20 May 2025. Participants connected with Deloitte professionals and Innovation & Technology enterprises to explore emerging technologies and business trends while receiving career development advice. This programme brings together professionals to engage directly with students, fostering their interest in cutting-edge technologies and equipping them to address future challenges by deepening their understanding of these trends.

## Programme Taster - Accounting Freshmen

26 June 2025

Over 140 secondary school students and teachers attended the seminar "Accounting Freshmen 會計新丁" organised by IVE Business Discipline with the support of The Hong Kong Institute of Certified Public Accountants (HKICPA) on 26 June 2025. Ms Carmen Lo, a CPA Community Member, shared insights into the latest developments in the local accounting industry and the diversity within the profession. She also discussed various career paths, highlighting opportunities in areas such as auditing, tax consulting, and financial advisory. By emphasising the importance of adaptability and continuous learning in a changing industry, the speaker inspired students to pursue their aspirations in accounting with confidence and enthusiasm.

## Student Development Activity

### Retail Internship Kickoff

25 August 2025

Students from the HD in Retail and E-commerce Management joined the Work-Integrated Learning (WIL) Programme, interning at Swire Resources Ltd and Victorinox. With guidance from experienced mentors, they quickly adapted to real-world retail operations, gaining confidence and practical skills. This invaluable experience not only strengthened their professional foundation but also prepared them for long-term career success. Many shared that the experience was truly transformative.
